## Permissible Fireworks Display Permit

Date: \_\_\_\_\_

Applicant: \_\_\_\_\_

Address: \_\_\_\_\_

Phone: \_\_\_\_\_

Display Location:	
Display Date:	

The above named applicant is hereby granted a permit to display fireworks only on the specific date and location named in this application. The applicant must be the property owner or he/she must provide written permission from the property owner for the display. Furthermore, the applicant must be present during the entirety of the display.

It is understood by \_\_\_\_\_ that he/she assumes all liability and responsibility for injuries to persons and property which may result from the discharging of the fireworks display. Proof of insurance coverage for the property is required at the time of application.

It is understood by ALL parties that any on-duty police officer or any firefighter will have the authority to revoke this permit if, in their opinion, a public safety hazard exists before or during the discharge of the fireworks display.

- NOTE:
- 1) All permits will be revoked if there are wind gusts over 20 MPH.
  - 2) All permits will be revoked if it is a Class 3 or higher fire day. *(Must call Chief Cresta (603-235-7676 on date of display to determine the Fire Class.)*
  - 3) All fireworks must be set off to go straight up rather than at any angle.
  - 4) Any litter or refuse from fireworks that lands on property of another is required to be collected/cleaned by the permittee (at the approval of the land owner).
